Hi Margarita,

We have actually sent two 114 Requests, the original and then a follow-on (which I think we sent out this week). Mark Sims from my staff and Kara from ORC worked on it. Mark/Kara – please send a copy to Margarita. (I sign them but don't keep copies myself!)

Hope all is well with you.

**Subject:** Exide-US EPA Region 9 SEction 114(a) Action letter

Hi Kathleen,

I have been working on the Exide bankruptcy issues for DTSC, and in that capacity have been in frequent contact with Alan Tenenbaum of US DOJ.

I know that US EPA Region 9 issued an NOV on CAA issues to Exide. I also received a call earlier this week from Rebecca Sugerman regarding RCRA issues with Exide.

We have been informed by SCAQMD that US EPA Region 9 recently initiated a Section 114(a) action against Exide requesting information.

Can you please send me a copy of that letter?

Thanks!
